The Venetian Macao Gaming Floor

In August 2007, Sands China Ltd. opened The Venetian Macao, the anchor property of our Cotai Strip development.

As at July 31, 2024, The Venetian Macao included more than 500,000 square feet of gaming space and gaming supporting area comprising exclusive VIP rooms and an expansive mass market gaming floor. The Venetian Macao featured more than 750 table games and more than 1,700 slot machines or similar electronic gaming devices. The mass market gaming floor is divided into four uniquely designed areas: Red Dragon, Golden Fish, Phoenix and Imperial House.
