Outstanding Contribution in Corporate Social Responsibility

“The legacy of the FBM Foundation serves as a testament that no act of kindness is ever too small. By coming together as a community and supporting one another, we can overcome any challenges and create more compassionate and inclusive world for all.

Remember, a single act of kindness can ignite a spark that lights up the world.”

- Pepe Costa

FOR OUR COMMUNITIES

The FBM Foundation brought hope to Villa Maria Aeta Resettlement in Porac, Pampanga. FBM Foundation assembled 400 food packs and 400 basic necessity kits, organized a feeding program, and supported the local daycare center with art materials, educational toys, furniture, and snacks for the children.

FBM Foundation is supporting the rebuilding of homes in Barangay Old Capitol Site, Quezon City, after a devastating fire. By donating essential construction materials, the Foundation is helping to create safe and comfortable housing, offering a fresh start for the affected community.

FBM Foundation donated 15 computer sets and 300 backpacks to Mabato National High School in Calamba, and 35 computer sets and 700 backpacks to Dr. Jose P. Rizal Senior High School in Dasmariñas. Along with these, they provided tables, chairs, and 2 air conditioners to both schools. The FBM Foundation also facilitated the renovation of the computer lab and faculty room at both schools.

FBM Foundation donated 20 million Philippine pesos to support the fight against COVID-19. After ensuring the safety of its workers and stakeholders, the brand took direct action by contributing to the Philippine General Hospital, National Kidney and Transplant Institute, Lung Center of the Philippines, and Research Institute for Tropical Medicine.

FIRST STEP TOWARDS A GREENER TOMORROW

FBM Foundation planted over 30 trees and 15 saplings at Masungi Georeserve, Rizal. This initiative promoted reforestation and environmental awareness, with plans to expand eco-friendly activities and engage communities for a greener future.

A HEALTHIER TOMORROW

The FBM Foundation promoted oral hygiene by distributing 500 oral health care kits in May-iba Buroi Teresa and Sitio Tawid Tawid, Rizal. In Sitio Tawid Tawid, Antipolo, the Foundation sponsored free dental services, including cleanings and extractions, and provided an additional 500 kits to the community.

The FBM Foundation held the "A Drop of Hope" blood drive at One Corporate Centre in Pasig City, celebrating World Blood Donor Day. This project not only helps save lives but also fosters empathy, showing the powerful impact of giving on people and communities.

OUR KIDS, OUR TOMORROW

FBM Foundation celebrated the 2nd anniversary of Hands of God Charity Works Cavite Chapter by supporting 30 "Cancer Warriors" with groceries, medical supplies, rechargeable fans, and gift certificates for vitamins and medications.

FBM Foundation organized a Feeding Program in Paliparan, Dasmariñas, Cavite, where FBM Foundation distributed food, groceries, and cleaning supplies to over 100 children, demonstrating their commitment to fighting malnutrition and supporting communities.

FBM Foundation brought joy to Child Haus in Manila by organizing activities for patients and donating essential food, hygiene, and cleaning supplies. FBM Foundation distributed food packs and nutritional aid, including Pediasure milk for children with cancer, along with cleaning products to maintain a safe environment.
