Industry Awards: Best Industry Supplier

Light & Wonder, 2023 Best Industry Supplier

Announced at its 2024 Q2 earnings call, Light & Wonder marked its 13th consecutive period of yearly revenue growth and its eighth consecutive quarter of double-digit revenue growth. During the second quarter, gaming revenue topped \$530 million –

a 14 percent yearly increase, while overall revenue reached \$818 million – up 12 percent yearly, and net income hit \$130 million – up 40 percent.

Gaming machine sales increased by 32 percent, to \$228 million, while gaming systems operations were up 15 percent, to \$82 million. Gaming operations revenue was up 5 percent yearly, to \$175 million.

L&W achieved robust growth in International Gaming Machine Sales, notably in Asia as well as Australia where we maintained the #1 ship share.

The group also saw its Gaming segment’s AEBITDA rise by 17 percent yearly due to the revenue growth, reaching \$272 million.

International unit shipments rose by some 33 percent yearly, to over 5,500 units, driven by sustained strength in Australia and replacement sales in Macau.
