Hall of Fame: Rising Star

Ankur Sharma, Light & Wonder

Ankur Sharma, Regional Account Manager at Light & Wonder Asia, brings over 14 years of global gaming experience, having successfully contributed to projects across virtually every continent. Currently, he manages the sales of a diverse portfolio of gaming products and services to major strategic accounts in Singapore, Malaysia, and South Asia. A testament to his professionalism and drive, Ankur was recently named the sales “MVP” (Most Valuable Player) at Light & Wonder Asia.

Ankur’s most recent achievements and major wins at work include:

- Light & Wonder CEO Club 2022 recognition (Top sales executive of Asia)
- First ever Million dollar+ deal in India
- Expanding Utilities business in Nepal, India, and Sri Lanka
- Biggest ETG Quartz deal/install in the world, 191x units at RWS
- 60% ship share for GPL expansion during M Club 5+ units

Prior to his current role, Ankur has also held several roles and made major contributions across the business at Scientific Games, before the company transformed into Light & Wonder, most prior as Associate Director for Systems in Asia.
