

# NEWPORT WORLD RESORTS GOES ALL IN FOR EPIC POKER ACTION

In the span of 15 years, Newport World Resorts (NWR) successfully transformed from a single structure gaming complex into a sprawling, fully integrated lifestyle destination. At the heart of the expansive lifestyle complex, NWR houses an action-packed poker area delivering year-round excitement, world-class poker tournaments, and the ultimate luxury gaming experience.

Located on the ground floor of the opulent Grand Wing casino, the poker area holds 12 spacious tables with a total of 108 chairs, automatic shuffling machines, charging ports, high-end furnishings, and comfortable seating. Efficient chip runners and skilled dealers ensure smooth, uninterrupted play, even during the busiest hours. Attentive staff provide complimentary non-alcoholic beverages, and administrators promptly open new tables to eliminate wait times.

Players stay fueled and focused during games with a world of culinary options from NWR's specialty restaurants, conveniently available for delivery straight to their table. All these contribute to the epic gameplay that NWR is known for.

With a diverse range of games, including Texas Hold'em, OMAHA, and Short Deck (50/100, 100/200, 200/400 blinds), NWR's poker area caters players of all skill levels, from high-rollers to hobbyists, making it a premier destination for poker enthusiasts worldwide. Typically, up to 10 cash tables run regularly with dozens more accessible during major tournament series.

While NWR has no large-scale tournaments in-house, it serves as home to some of the most prestigious multi-destination poker tournaments in the Asia-Pacific region. Since 2010, NWR has been the home of the Asian

event that draws thousands of players from around the world each year. The APT is known for its large guarantees and solid tournament structures, making it a highly-anticipated fixture on the poker calendar. Recently, NWR also welcomed Asia's elite players for the maiden Poker Dream tournament in the country.
