

DISCOVER THE BEST OF ALL WORLDS AT NEWPORT WORLD RESORTS

When the first integrated resort in the Philippines opened its doors in 2009, the excitement was electrifying. The brand new leisure concept that kickstarted a now multi-billion peso industry started with a single structure complex in Pasay City.

Over time, integrated resort-casinos peppered the metro, even extending to nearby provinces and other major tourism destinations in the country.

15 years—and a global health crisis that drove businesses to the ground—later, the pioneer integrated resort is due for an epic reboot. The name change in 2022 set things in motion for the industry icon, and two years later, all is new at Newport World Resorts.

With a new name, new leaders, and a renewed sense of self and purpose, Newport World Resorts beckons to be rediscovered.

What sets an integrated resort apart from other leisure developments is the integration of gaming facilities with hospitality and entertainment amenities. What separates Newport World Resorts from its competitors is the relentless commitment to excellence in scale, service, and social impact.

Newport World Resorts holds the highest hotel room key count in a single property, 3,580 across five international hotel brands: Manila Marriott Hotel, Holiday Inn Express Manila-Newport City, Hilton Manila, Sheraton Manila Hotel, Hotel Okura Manila, and two affiliate hotels, Belmont Manila and Savoy Manila. These all-star hotel developments provide a gamut of accommodation options for both local and international guests. The integrated resort's wide client base is due to the property's prime location across the Ninoy Aquino International Airport Terminal 3, and the 15,000 square meters of available event space for Meetings, Incentives, Conferences & Exhibitions (MICE)

With over 70 dining outlets, Newport World Resorts has firmly established itself as a hub of global gastronomy, led by the award-winning chefs that fire up the kitchens of the property's signature restaurants and exciting new dining concepts. The country's first Gordon Ramsay restaurant, Gordon Ramsay Bar & Grill Philippines opened at the Newport Grand Wing this year.

The Newport Performing Arts Theater (NPAT) has stood for as long as Newport World Resorts has been around. The brightest stars of both the local and international entertainment scene have graced the award-winning stage to perform in front of thousands of live audiences.

Reflecting Newport World Resorts' ever expanding world of experiences, the thrill of the game has grown exponentially across the property. Now operating in two wings, the Newport Garden Wing and Newport Grand Wing, the total gaming floor encompasses 45,000 square meters with signature gaming thrills in each building.

Every visit to Newport World Resorts is made more rewarding with the innovative Epic Rewards loyalty program. The multi-category, multi-property, and multi-channel program ensures members enjoy epic experiences that are both unique and exclusive within the property and beyond. From private dinners hosted by award-winning chefs to VIP access to sought-after events. Epic Rewards members are treated to experiences, partnerships, incentives, and choices, all curated and designed for them.

Adding to its world meaningful discoveries is the company's commitment to take the lead in sustainable development. Newport World Resorts is the first and only integrated resort in the country with an EarthCheck Silver-Certified badge, which covers the entire property including its gaming areas, the Newport Mall, the Newport Performing Arts Theater, Marriott Grand Ballroom, and its line of international hotel brands. EarthCheck is the world's leading certification, consulting, and advisory group for sustainable destinations and tourism organizations.
