---

### INTRODUCTION

In the heart of Asia's bustling entertainment landscape, Solaire Resort stands not merely as a beacon of luxury but as the epitome of visionary innovation and captivating experiences. Having been named the Best Regional Integrated Resort in the Asia Pacific in 2023, we now aim to elevate that success further as we stake our claim for the title of the Best Regional Asia-Pacific Integrated Resort in 2024.

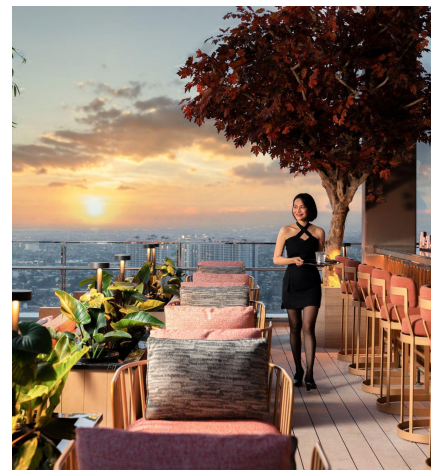

## **A BRAND NEW RESORT**

This year marks a new dawn for Solaire with an expansion in Quezon City. With 500 newly-added rooms, Solaire Resort North offers world-class amenities and a sprawling 10,000 sqm of gaming floor area that brings a combined total of 5,200 electronic gaming machines and over 500 new gaming tables across both properties, introducing a new realm of thrills and experiences for our guests.

## **CULINARY BRILLIANCE**

At Solaire Resort North, we redefine dining experiences by offering an array of gastronomic delights, each designed to be a feast for the senses. Our new F&B scene is unparalleled, featuring venues that provide stunning, elevated views of the city—a first of its kind in the metro. Here, meals are not just served; they tell stories, blending global culinary trends with the distinct Solaire signature.

## **A KIDS CLUB UNLIKE ANY OTHER**

Solaire redefines family entertainment with the introduction of a 5-story Kid's Club, a space where kids and kids-at-heart can explore and experience the world with a fresh perspective. It's a place designed for imagination to soar and where unforgettable childhood memories are made.

## UNRIVALED CHARTERS

With the launch of Solaire Resort North, we've introduced a new fleet of luxury limousines and helicopter services that connect both our properties. These services offer our guests the convenience of seamless travel in a style that befits their status, ensuring their journey is as exceptional as their stay.

## THE PLACE TO BE

While Solaire's Entertainment City property continues to deliver world-class events, Michelin-star dining, and top-tier entertainment, our new North property is solidifying its status as the pinnacle of luxury in the city. Together, they establish Solaire Integrated Resorts as truly the place to be, where the perfect blend of opulence, innovation, and Filipino hospitality creates an unmatched experience.
